The Honorable Allen W. Dulles
Central Intelligence Agency
Washington, D. C.

Dear Allen:

Your counsel on the evolution of World Brotherhood has been most valuable ever since the days in 1949-50 when you pointed out to us ways in which we should work.

Here is a proposal we are submitting to the Foundation in memory of our mutual late friend, Roger Straus. Does the plan make sense? Why? How can it be improved? How can it serve useful purposes on this troubled earth today?

What ever observations you make will be held as confidential and personal, and your comments will not be publicized. Your encouragement and counsel will mean much to those on the inner circle, such as Arthur Compton, Paul Hoffman, Governor Dewey, Gladys Straus and myself.

I will be in Washington August 3rd to 8th in case you wish to talk to me. But please mail me your reaction to the proposal, anyway.

With high regard,

Cordially and sincerely,

Everett R. Clinchy
